

Imagine...

Picture yourself living and working on an IDF base, hanging out with young Israelis and volunteers from all over the world, supporting the soldiers and helping Israel.

For 1–3 weeks, you'll sleep in the barracks, eat in the mess hall and wear IDF clothes. You'll sort vital medical supplies, repair equipment, maintain the base, or do other jobs that relieve reservists and make a real difference. *Then, on weekends off you can explore incomparable Israel!*

Your room, meals and work clothes are FREE.
