

March 15, 2020

Attn: All SAR-EL Volunteers and Agents

re: **IDF cancels All Programs for April 2020 due to Corona Virus**

Due to the new and continuing Corona Virus restrictions, The IDF has announced today the cancellation of all programs on all army bases with regards to contractors and outside employees and this does include all SAR-EL programs. All programs through the end of April 2020 are now officially cancelled.

Please note that Beit Oded will also remain closed through April as well.

Please watch our website and social media sites for updates and further news about the program. We do not have an update about May or the Summer programs but will keep everyone informed and up to date as soon we hear.

Please be sure to use this letter as a reference in changing your travel plans and also reach out to your country agents for further assistance.

Please let us know if you have any more questions and we are sorry for the disappointment and the delays for your volunteers. Please stay safe.

Sincerely,

Col. Shlomo Stav (RES)

**SAR-EL**  
National Project for Israel
