

Dear Friends,

All of us are anxious to return to Israel and to the IDF bases, where there is a great need for assistance from our volunteers.

We hope that the IDF will soon be able to reopen its bases so we can once again ***Stand With Israel. In Israel.***

We will let you know just as soon as that happens.

In the meantime, I encourage you to submit your application so that you will be ready once we receive the green light from SAR-EL. At that point, you can designate your starting date.

Thank you for your loyalty, support and patience.

Mark Werner
President,
Volunteers for Israel
