Who We Are

- Founded in 1982, VFI is a non-profit, non-political, non-sectarian 501 (C) 3 U.S. corporation.
- Our mission is to connect Americans to Israel through volunteer service. We achieve this goal by partnering with organizations that enable volunteers to work side- by-side with Israelis.
- We promote solidarity and goodwill among Israelis, American Jews and other friends of Israel.
- No matter the task, VFI's focus is always to lend a hand and to assure Israel that she does not stand alone.

Testimonials

- "**Being able to make a difference**, to bring a smile or laughter in a difficult world motivated me to get up every morning. The simplest of tasks may mean the world to another. " David at Reuth
- "This is a wonderful experience for me, and **I feel like I am really helping** the physical therapy staff. I enjoy interacting with the patients, some of whom I now know by name." James at Reuth
- "**This trip far exceeded my expectations**. I felt so alive and being able to assist was rewarding. Our group worked so well together and we accomplished our tasks. After the Givati dig, I will never look at dirt the same way again! **We had a wonderful, knowledgeable and patient team of archeologists guiding us.** Just about every scoop of earth uncovered an ancient pottery shard or mosaic floor tile. **I never wanted to stop – even at break time**. Julia was the most excellent guide and every place we went was unique and special! **What an adventure it all was** and what terrific people I met." Larry at Archaeology
- "**The accommodations are nice, the showers are hot! And the food is plentiful**. Why am I doing this work? Because the farmers who would usually be picking and packaging fruit are in Gaza or the North protecting all of us, both in Israel and the Diaspora." Sue at Farm Program
- **"When a soldier said to me, 'We saw you coming, and it brought smiles to our faces,'** I knew I had made the right choice in signing up for this program." Bev on Feed the Soldiers
